

Mani Mesh, JMG Alumnus and YAC Member

Mani Mesh, a 2020 Jobs for Michigan's Graduates (JMG) alumnus from Windover High School, stands out as an individual who has showcased exceptional growth within and beyond the JMG program. His active involvement in the Youth Advisory Council and the JMG Alumni Network has left a lasting impact on the JMG community. Notably, Mani was chosen as one of the six youth representatives from Michigan to attend the National Student Leadership Academy in Washington, D.C., where he skillfully utilized his networking abilities to engage with young individuals from across the nation, representing his state with pride. Moreover, Mani's passion for youth mental health led him to serve as a panelist on Coffee with a Purpose, where he discussed critical issues and raised awareness about mental health challenges faced by young people. Additionally, Mani took the initiative to give back to his alma mater, presenting to the JMG class at Windover High School where he shared his personal experiences and highlighted post-graduation opportunities available to them. In recognition of his character and contributions, Mani was honored as the 2023 Notable Alumni at the 13th Annual Career Development Conference. Now, Mani's journey has led him to work in environmental services housekeeping at MyMichigan Health in Midland. His unwavering commitment to JMG and his community continues to serve as an inspiration to those around him.
